I understand and agree that falsified information or omissions may result in termination from employment if determined after my employment has begun.

\_\_\_\_\_ (Initial)

I hereby affirm that the information provided on this employment application form is true and complete to the best of my knowledge. I further affirm that I the undersigned applicant have personally completed this application.

\_\_\_\_\_ (Initial)

If employed by Predicate Logic, I understand and agree that such employment is subject to the security policies of the company. I further understand that if the position for which I am hired requires access to classified information and I am not able to obtain the required security clearance within a period of time specified by my Supervisor, I will not be allowed to work in that position and my employment will depend on the availability of a position which does not require a security clearance and for which the company determines I am qualified.

\_\_\_\_\_ (Initial)

If employed by Predicate Logic, I agree to be bound by the agreement entitled "Agreement To Arbitrate Claims" which states that all claims, whether or not arising out of Employee's employment, remuneration or termination, that I may have against Predicate Logic or any of its related entities, including but not limited to, their officers, trustees, administrators, employees or agents, in their capacity as such or otherwise; and all claims that Predicate Logic may have against Employee, shall be resolved by arbitration.

\_\_\_\_\_ (Initial)

I understand nothing contained in the application or conveyed during any interview, which may be granted, is intended to create an employment contract between the company and me. In addition, I understand and agree Predicate Logic is an **at-will employer** and my employment with Predicate Logic is at-will and either party, without the other's consent, may terminate the employment relationship at any time for any reason with or without cause or notice. Any agreement, which varies the right of the employee or Predicate Logic to terminate the employment relationship at any time, with or without cause or notice, must be set forth in an express written agreement and signed by Predicate Logic's President and me.
